: ABOUT :

Imagine a world where children ruled, where no one followed what was supposed to be, instead everyone was unique and true to themselves. Kinder Cocoon is set out to make a big difference in your little one's life! We give your child a world where he / she is a sole decision maker, and can dream dreams as long as he pleases. Each child is a beautiful creation we cherish!

HOW WE MAKE A BIG DIFFERENCE TO SMALL LIVES ?

THE 3 P's Approach

PEDAGOGY

Cognition, thinking and understanding are linked to how well a child is enabled to learn. Kinder Cocoon pledges to help every learner to learn within her comfort zone, and according to his ability.

POTENTIAL

We explore the innate, enormous possibilities that lie locked within a child. Kinder Cocoon pledges to unlock a child's potential to the core.

PLAY

An essential part of every child's life, which has been slowly replaced by timetables and technology, Kinder Cocoon pledges to make play a routine and natural part of your child's life.

VISION STATEMENT

Kinder Cocoon began with a young mother's dream for her little one. It began with a journey, with two sets of footprints, one big, one tiny and an open road called Highway Time. As she walked with her little one, the Mother looked at the world her child would grow up in- she was pleasantly surprised sometimes, bewildered at other times. She felt the ties with her child stretched beyond pain, beyond imagination, as the little one walked away...from the warm cradle of her arms into a sea of unknown faces -to a classroom. From her wonder, from her quest for answers was born Kinder Cocoon, a playschool where every mother could feel the warmth of her love radiate at school. At Kinder Cocoon you will appreciate how we carefully graph and chalk your child's journey on Highway Time. No over speeding, no pothole ridden paths- just a leisurely walk down winding pathways. We appreciate the Sun for its warmth, the shade of the tree, the rain from the sky and nip in the air. Every season gives us every reason to celebrate Life with your little one. Our Vision is stated by your dreams etched in the Sands of Time.

PRINCIPAL'S MESSAGE

Mothers everywhere, all over the world, find creative, smart ways to nurture their child. They sing to them and laugh with them, they kiss away scraped knees and wash away tears with stories. I am a Mother, and I can well imagine your desire to see your child blossom in a caring environment. From your cradle to my class- let your child be a part of the Kinder Cocoon experience. I encourage mothers, fathers and grandparents to be a part of our Journey on Highway Time. Let us enjoy the peals of laughter as your child colours a rainbow or traces her first alphabet. Clap in celebration as he recites his first rhyme and she dances her way into our hearts! ABCs and अ आ इ are only the tip of the iceberg, feel your heart swell with pride as you witness the change your child is committed to bring about in her home and the world around. No littering, keeping surroundings tidy, always wishing the time, and appreciating play away from TV are some of the small yet significant changes you will witness in your child's behaviour. Dr. Seuss said it just the way we thought it- "Creativity is intelligence having fun!" Let's have intelligent fun at Kinder Cocoon!

With Warm Regards
